A Family Destination!

Wabasha is your premier four-season recreation destination. Known for its extraordinary natural beauty, Wabasha is nestled between the rugged soaring limestone bluffs of southeastern Minnesota and the majestic Mississippi River. More than just a picturesque historic river town, Wabasha draws tourists from all over the world. Many activities take advantage of its unique location.

Boaters enjoy the ever-changing river with its wide channel, quiet backwaters, and abundant sandbars perfect for picnics or overnight camping. If kayaks or canoes are more your style, the Mississippi and nearby Zumbro River offer scenic stretches filled with wildlife.

Wabasha is home to the National Eagle Center, a world-renowned museum and interpretive center dedicated to eagles and other wildlife indigenous to the Upper Mississippi River watershed. Nearly half of all waterfowl use the Mississippi River flyway for migration or nesting. The National Eagle Center offers unmatched opportunities for viewing them as well as exhibits, field-trips, and programming.

If golf is more your forte, join us at The Bluffs, an eighteen-hole course perched high atop Coffee Mill Bluff which has stunning vistas of the Mississippi and Chippewa River valleys. Or head to Kellogg and play a round of mini-golf at LARK Toys, recently named one of the ten best toy stores in the entire world by USA Today! If biking is your passion, Wabasha is located on the Mississippi River Trail and the city itself is bike friendly. Bring your fishing gear and join us for a lazy afternoon trolling for walleye or get serious and enter one of the fishing tournaments that call Wabasha home.

When autumn arrives the bluffs explode with color. Not to be outdone by Mother Nature, the entire town of Wabasha decks itself out with pumpkin topiaries and harvest-themed decorations. SeptOberfest runs from mid-September through October and draws visitors from around the country for juried craft boutiques, German food, and fun activities for adults and children.

When the snow flies, the Coffee Mill Ski Area is the place to be with one of the longest vertical drops in the area. If you're less skilled, but equally playful, join in the fun with snow tubing. Wabasha is surrounded by groomed trails for snowmobilers and ice fishing opportunities are abundant. If you are truly adventurous, join us in February for the Grumpy Plunge and jump into the frigid Mississippi to support local charities.

Not a winter person? Pamper yourself! Get away to one of the wonderful lodging properties in the area and curl up by the fire.

ATHLETIC FIELD

Located at the foot of the Interstate Bridge on Grant Boulevard.

The Athletic Field features tennis and basketball courts, a skateboard park, volleyball courts, baseball and softball fields, restrooms, and parking. In the winter, the concession building becomes a warming house for the adjacent ice skating and hockey rinks that are open after school and weekends.

BEACH PARK AT HUNGRY POINT

Located on the west end of Main Street.

This park is situated on the Mississippi River with a large beach area. The park often hosts weddings and private romantic dinners in the park's new Gazebo. Walking paths will wind you through the park, passing the picnic shelter with views of the marina. A campground with 48 seasonal sites and three transient sites is adjacent to the park with modern restrooms and showers.

BRUEGGER MEMORIAL PARK

Located on the west side of town on Gambia Avenue.

Approximately two acres in size, families will find a playground for children, picnic shelter, and picnic tables.

CANNON PARK

Located just off Hiawatha Drive East.

This park features a prominent WWI cannon from the early 1900s. The cannon was almost destroyed but, thanks to community members, was placed in the park and has become a landmark near the middle of town.

DENNIS PFEILSTICKER MEMORIAL PARK

Located off Hiawatha Drive East next to the city pool.

This park commemorates Dennis Pfeilsticker, a local ambulance emergency medical technician who served the citizens and the youth of Wabasha for many years. Using memorials, his family sponsored the playground equipment in his memory. Adjacent to the park is the city pool, which features three waterslides and a kiddie pool open early June through Labor Day Weekend. Great for any function.

DNR STATE PARKS

Wabasha-Kellogg Area | 651-565-4158

Numerous State & Regional Parks offer an abundance of scenic enjoyment. Enjoy camping, hunting, birding, hiking, horseback riding, canoeing, ATV and dirt biking. Details on page 41.

EDWARD MALONE MEMORIAL PARK

Located off Grant Boulevard.

This four acre park has two shelters, restrooms, a children's playground area and free parking. A handicap-accessible fishing dock offers angling opportunities for everyone! Visitors can enjoy the BBQ pit, horseshoes, portable volleyball net and walking trail.

HERITAGE SQUARE

Located under the Interstate bridge on Main Street.

This park has a pleasant picnic table area, benches, and a stage which features entertainment throughout the year. On Fridays in the summer you can see free outdoor concerts sponsored by our River Junctions Arts Council.

HEROES PARK

Located on Rice & Belvidere Street, Kellogg.

In the middle of Kellogg's downtown you will find a large, square block public park with lots of open space, a playground and basketball courts, and a large covered picnic area. Kellogg's a great community to take the kids to play - and we're small enough that we don't have a stoplight anywhere in town!

IZAACK WALTON PARK

Located off Grant Boulevard across from Malone Park. Enjoy the two-acre park with shelter, BBQ pit and restrooms. The park features a large boat launch area, 16 seasonal docks, four transient docks, and an extra long dock handy for launching. A convenient walking bridge connects this park with Beach Park.

JAYCEE PARK

Located on Bailey and 12th Street.

This park's two acres has lots of space for fun, including frisbee golf and a softball backstop. Close to the backwaters; many people can be seen fishing here.

SCHMIDT PARK

Located on East Second Street.

Originally donated to the city in the early 1900s, later the park was abandoned. In recent years, the park was donated back to the city by Wabasha resident Paul Busch. Thanks to gracious donations from the community, the park was restored to its original look, featuring a fountain, walkway, entrance posts, antique lighting and flower gardens.

THRIVE! PARK

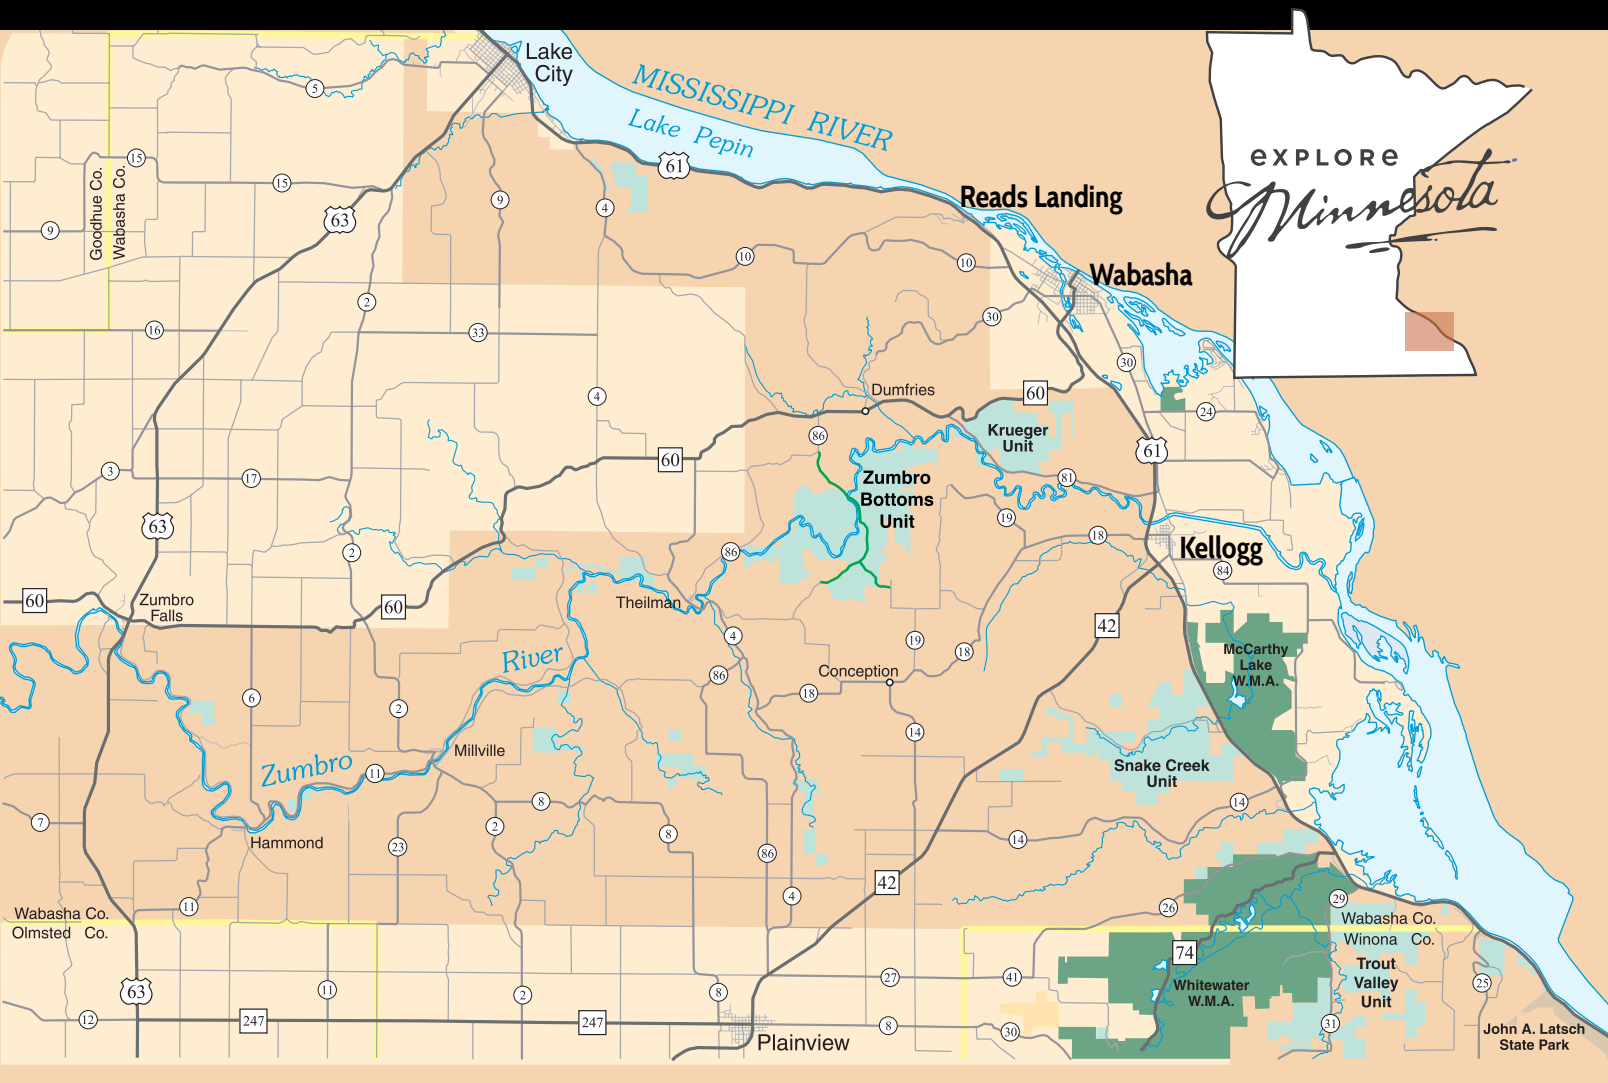

Located in the Village of Nelson.

Thrive! Park is a public park, unique in that it consists of over 25 acres of Mississippi River bluff top and bluff side. The primary bluff is Three Sisters (northernmost Sister is private land) and Lost Brother. The three southernmost bluff tops (two of the Sisters and Lost Brother) are in the Park and accessible via hiking roads and trails.

VETERANS MEMORIAL PARK

Located at the intersection of Hiawatha Drive East and Hwy 60.

With its Veterans Monument and American Flag, this park serves as the location for Memorial Day services.
